Patrice,
thank you for the link. We got some from the list, but the ones listed below are not opening and it will be helpful if you provide them by email:

Luperox 10
Luperox 10M75
Luperox 256
Luperox P
Luperox 555M75
t-Butyl Hydroperoxide
t-Amyl Hydroperoxide
Cumene Hydroperoxide

Also, additional question: what is Luperox HP101XLP ? is it the same as Luperox 101, 101M032,101M050 or not?

Thank you in advance.

Larisa,

Our HES group has provided the following instructions for government agencies to retrieve Safety Data Sheets.

Go to http://www.quickfids.com/cmt_bin/wfids-affform2?compte=ATO?US_PLEN&langue=EN&transaction=181400109204877&client=&societe=&code_fds=

When you see the following screen, enter in your information and hit continue. Search for LUPEROX. This is the tradename for our organic peroxide products. If there is any difficulty obtaining a particular SDS, let me know and we'll provide it by email.

Best Regards,
